Some email comments about the weekend:

"...We are pleased to hear that it was so successful. We've seen the photos on the web and it looks as if everyone enjoyed every moment. We are sorry we were unable to come but how kind of you to include us by this email..." *Joan & Glyn Horne*

"...Just a short note to say how much I enjoyed the NAVC. Our friend's also enjoyed the event greatly (despite a trip to A&E on Saturday afternoon!!). I thought the projection and sound was absolutely superb and my two entries looked fabulous. I didn't envy the judges as the standard was very high. Thanks for your hard work and congratulations for pulling it off. Well done..." *Alastair Taylor*

"...Many thanks and congratulations for the brilliant RPS National AV Festival. It was the best that I have attended. Time now to take a break and relax..." *Robert Albright*

"...Just a quick note to thank you and all the organisers for a great weekend. We thoroughly enjoyed it. Hope you are having a chill out day, although I know there will still be things to do. At least the 'loose ends' can be tied with a sense of relief and a smile of satisfaction! Thanks again...." *Marion Waine*

"...Looks like I missed some good sequences only being there on Saturday! Can you please pass on my thanks to the committee for a well organised and run championships. It was good to see a reasonable number there even if, at 52, I felt like the youngest present! It was interesting to see some more cutting edge / experimental sequences such as "The Commute" and "Too much Pressure" showing what the future of AV could be..." *Graham Neville*

"...Just a short note to say many thanks and congratulations for organising a great weekend. Everything ran like clockwork and it was a complete success...." *Tony Collinson*

"...Thanks for the feedback, it's most illuminating to see that a number of entries that were in the top marked were those that we would have chosen (and did in some cases). Thanks for a most rewarding day. We learnt a lot and gained considerable insight into the finer points of producing a good AV. We look forward to the next one...." *Mike and Sally Kitchingman.*

"...This is just a word of thanks from us all in the 'Sussex Gang' for the sterling work you and your 'behind the scenes' team did for the Nationals last weekend - (not forgetting, of course, your excellent joint presentation with Ron Allcock). The choice of Venue was excellent. The projection arrangements, outstanding. The whole weekend went flawlessly. It's such a shame that we won't be able to return there in future. Please also thank Carole for all her hard work behind the scenes..." *Graham, Carole, Bob, Jean, Kathleen and Lynette*

"Dear Andrew, Many thanks for making me feel so welcome at the Championship. I thoroughly enjoyed the presentations and made many new friends. And congratulations on your Highly Commended entry. It was my own personal favourite at the event.... " *Alex Houston*

"...It was my first time at the Nationals and although I could only attend on the Sunday due to work commitments I thoroughly enjoyed the day. I came home after making some new friends and fully inspired by watching some rather superb AV productions. Thank you to all those concerned for a wonderful day.." *Keith Watson*

"...Just a quick email to express our thanks to you and all the team for organising such an enjoyable weekend. Mary and I thoroughly enjoyed it. Hope to see you and Carole on Nov 15th at Leeds Trinity..." *Bryan Stubbs*
