The Royal Photographic Society
&

The Photographic Alliance of Great Britain

PROGRAMME

*Accorded PAGB Patronage
Certificate No. 21/2007*

THE 15th NATIONAL A-V CHAMPIONSHIP JURY

Malcolm Imhoff FRPS ~ *Chairman of the Jury*

Malcolm Imhoff has been producing Audio-Visuals for over twenty years. He enjoys communicating his interests in travel, landscapes, mountaineering, and all sorts of music. He has developed a personal style in which excellence in photography, skill in the use of sound, and the creation of rhythm in the production, are interwoven to engage the emotions of the audience. With sequences such as "Carnival in Venice", "The Ascent of Mont Blanc", "Watch where you're putting your feet", "Matterhorn People", "The Spaghetti Tour", and "Trekking in Nepal", he has received many awards in both National and International Festivals. He is a Fellow of the Royal Photographic Society and serves on the RPS Audio-Visual Distinctions Panel.

"I am very honoured to be invited to be Chairman of the Judges at the National AV Festival and I am looking forward to working with my fellow Fellows, Eddie and Edgar, both experienced practitioners whose work and judgement I hold in high regard."

Edgar Gibbs FRPS DPAGB AV-AFIAP

It was when Edgar was studying civil engineering in the early 70s that he joined the photographic society. It fitted in well with his final year project which was in a subject called photo elasticity, where the results were recorded photographically. On leaving college he joined Gwynfa Camera Club, near where he lived and saw his first AV there not long after he married Linda. Since then they have both been hooked and he says he is very lucky they both enjoy the medium. Together they have attended many AV festivals at home and abroad. Edgar is particular keen on travelling to AV festivals in mainland Europe where a broader range of styles can be seen. He and Linda ran the South Wales AV Group for 10 years and also served on the RPS International committee.

He loves the third image and feels that digital AV has to some extent removed this effect which now has to be created by Photoshop rather than the use of projectors. Nevertheless he has embraced the digital movement and is looking forward to seeing some innovative approaches when he judges the National AV Championships

Eddie Spence FRPS AV-AFIAP

Most of you will probably know that I am a Geordie from the very heart of Tyneside. I left there at the age of twenty one to do National Service for two years before settling in Leeds. (By the way! Salvador Dali, Vincent Van Gogh, Chief Dan George and not forgetting Betjeman were all influenced by the Geordie culture! **Howay the Lads.** Dream on Eddie I hear you say.

I took up photography about sixteen years ago and joined a local camera club to learn the art. I became keen on natural history photography and would have pursued this interest had it not been for a chance introduction in to the wonders of Audio Visual productions. This came about by attending an Audio Visual Presentation by Geoff Holmes in our Holy Name Catholic Church Hall, following Mass. I was immediately won over to this new art form, especially when I saw Millstone Grit and a few other memorable sequences of Geoff's. It wasn't long after that initiation that I joined the Leeds Audio Visual Group. I was encouraged by Peter Coles, Geoff and Ralph Smith to join the RPS to try for the AV Distinction Awards starting with Licentiate through to Fellowship, which I'm pleased to say I was successful in all the three disciplines. I have recently got my foot on the first rung of the ladder of the FIAP Distinctions by achieving the AV AFIAP Distinction.

I have sat on the RPS AV Group Committee for seven years now as Secretary and Membership Secretary, which I have enjoyed. More recently I have been invited on to the RPS AV Group Distinctions Panel. I have always felt that you should be prepared to put back in to the movement as well as taking from it.

I am presently the President of the Leeds Audio Visual Group, which demands a lot of my time and is instrumental in bringing my time on the RPS AV Group Committee to an end at the coming AGM in Braunstone. I am looking forward to being on the panel of judges for the 15th. Nationals and will endeavour to fulfil my obligation to the best of my ability.
