Well done to all those who uploaded images to date – please keep them coming!

Roger and I did a trip out to **Nunhead** last week on rather cold but clear day and managed to take a few shots. Confession time! I haven't uploaded mine yet – but I will!!

What have you guys been doing?

Personally I have two plans, weather and strikes permitting!

- Over the next couple of weeks, weather permitting, to walk and photograph the section of the Capital Ring which runs through Abney Cemetery: if anyone would care to join me they would be most welcome. (londonro2@rps.org).
- Make another visit to Tower Hamlets as I understand that the snowdrops are (or should) be appearing across the Cemetery right now and look quite spectacular.

Other Group Events:

- Mike Psyllides (londondist2@rps.org) runs monthly walks for our Group in West Norwood Cemetery: e-mail Mike if you'd like to find out more and perhaps join him.

Anyone else any plans they would like to share?
